1<sup>st</sup>

step

- ▶ Press on activation to get started.

## 2<sup>nd</sup> step

- ▶ Type in the username you received on your registered e-mail address.
- ▶ Click "Next" to proceed.

If you first activated your account through Online Banking, please use the username that you created.

The screenshot displays the 'Device Activation' screen of a mobile application. At the top, there is a back arrow and the title 'Device Activation'. Below the title, the text 'أکید فینا! CAN DO!' is visible. A large input field labeled 'Login ID' is present, with a user icon on the right side. At the bottom of the screen, a virtual keyboard is shown, featuring a 'Next' button on the right side.

## 3<sup>rd</sup> step

- ▶ You have received the first part of the password by e-mail and the second part by SMS to your registered mobile number.
- ▶ Type in the entire password.
- ▶ Click "Next" to proceed.

If you first logged in through Online Banking, use the new password and skip the 4th step.
