A close-up, low-angle shot of a person's hands typing on a laptop keyboard. The scene is bathed in a warm, golden light, likely from a window or a lamp, creating a soft, inviting atmosphere. The text "THANK YOU FOR BANKING WITH US" is overlaid in a clean, white, sans-serif font, centered horizontally and slightly above the middle vertically. The background is blurred, showing the laptop screen and the person's face in profile, emphasizing the act of banking and the gratitude expressed in the text.
